3 March 1948

MEMORANDUM TO MR. EDWIN M. BASCH

SUBJECT: Revision of Operational Analysis Handbook

Following revisions of OO-FBIB Prospective Relocation of Stations, showing Progress Status as of 3 March 1948, are requested:

1. Under paragraph 2, replace items h and g with the following:
 - b. It has been recommended that construction begin as soon as possible at Solo Point, Okinawa.
2. Under paragraph 3, replace items h and g with the following:
 - b. CIA representatives on Cyprus are negotiating for site on north coast.
 - c. Major items of equipment are awaiting shipment.
3. Under paragraph 4, replace all items as follows:
 - a. A site near Fort Washington, Maryland, has been found suitable.
 - b. Condemnation proceedings for acquisition of the land are in process.
 - c. Barring unforeseen delays, station should be in operation by 1 September 1948.

L. K. WHITE
Chief, FBIB
